THE FOLLIES OF 1955

VOLUME 36

Auburn High School, Auburn, Indiana

Foreword

We have chosen an Indian theme for the Follies of 1955 because the Indians have proved an important part in civilization. We must remember that they were the first inhabitants of our wonderful land, America. By portraying the classes as Heap Big Chiefs, The Braves, The Warriors, and down to those Little Demons, we have hoped to bring out the theme more clearly. We sincerely hope that through this theme you will enjoy the many different scenes and write-ups as you turn the pages of this year's edition of the Follies.

PRESIDENT SHOOK

After serving as treasurer of the Auburn School Board, Mr. Henry Shook was elected president. This has been his second year as head of the school board. There are many jobs that the president is required to do, but much of his time is taken by meeting with the other members of the board and working on plans to improve the school system here in Auburn. The past year Mr. Shook has been working especially hard on the new educational system in Auburn to make it what it is at the present.

SECRETARY McINTYRE

Last year Mr. H. C. McIntyre was again appointed for another term to the Auburn School Board by the mayor and city council. Along with his duties as secretary, Mr. McIntyre has worked very diligently with the school building program in the last year, for a new Junior High building.

TREASURER WEILER

Mr. Gerald Weiler is now serving his second consecutive term as treasurer of the school board. He is a former industrial arts teacher in the Auburn schools. His experience as a teacher has been an asset to the school administration.

Heap Big Councilmen

SUPERINTENDENT McKENNEY

After filling the position of principal of the Auburn High School for a number of years, Mr. H. L. McKenney took the position of superintendent of the Auburn schools in 1924. With his resourcefulness and his ability to do his job well, Mr. McKenney has worked hard on the building program and on the question of book rentals.

MRS. CARMA-JEAN ECKERT — After her high school graduation, Carma-Jean decided to take the position of Mr. Miller's office girl. The next year, in 1947, she became Mr. McKenney's secretary and receptionist. Carma has a very busy job, which includes keeping books and writing checks for all of the Auburn schools, besides doing her regular secretarial work for Mr. McKenney. She also helps in Mr. Miller's office, sells tickets, and does other jobs for extracurricular activities.

MRS. VIRGINIA SIMONS — For the past two years, since her graduation from Auburn High School, "Ginnie" has filled the position as Mr. Miller's reliable office girl. Virginia not only has done her office work efficiently and worked as a ticket taker at basketball games, but also with her patience and friendly manner has helped solve many students' worries and problems.

PRINCIPAL MILLER

For a number of years, Mr. L. W. Miller has served as the principal of Auburn High School. Not only has he managed the school, been a teacher, and helped greatly with extracurricular activities, but also he has taken time out to help the students who are thinking about higher education. Many ex-students of Auburn High are thankful to him for helping to set them out on a successful road of life.

"Pete" also has been a great asset to the student body in leading those much needed yells at the football and basketball games. Janet hopes to attend Miami University this fall, and we give her our best wishes for the future.

A Full Time Job

Irene left us this year for something that most girls envy, a wonderful husband. Irene has proved to be very active in Tri-Hi-Y and Teen-Y. Her future is summed up into six words: rest of her life with Raymond.

JAMES BLEVINS

Billie has been another one of the faithful members of the Auburn Boosters. She has also worked for four years as a librarian, has been one of the top students in her class scholastically, and has been a typist on the school paper. Billie's favorite hobbies are hunting and playing golf. She would like to work this fall or go to college if at all possible.

Hearts of Stone

Jim's favorite pastime is trapshooting at which he is very good. His zeal for this might be explained by the fact that his hobby is collecting all sorts of modern firearms. Jim would like to retire at the early age of twenty-five! It is a good trick if you can do it.

NANCY COX

A.H.S. 1, 2, 3, 4; A.A.A. 1, 2, 3, 4; Fire Warden 4; G.A.A. 1, 2; Tri-Hi-Y 3, 4; Jr.-Sr. Play Cast 3; Jr.-Sr. Play Crew 4; School Paper Staff 4; Teen-Y 1, 2.

Edith Mettert is another one of the '55ers who is deceased. She was a missionary in the deepest part of Africa, and the native head hunters beheaded her.

George Miller has just been arrested for giving out candy in church to all the children. He is a dentist, and he strongly believes in good cavities.

Jerry Mussak is a kindergarten teacher. Of course, he has had a lot of practice because he has twenty-three children of his own.

Dan Neidlinger, after twenty years in college, has not graduated. It seems as if poor Dan just can't pass animal husbandry.

John Souder is painting water hydrants for the city. We are very proud of John because he is not letting his artistic ability be wasted.

"For it is not the end but just the beginning." How true this saying is as applied to the Class of 1955. This class, which began life at A.H.S. only a little over four short years ago, now stands at the advent of an even greater adventure: that of life itself. The four years spent here will live in the minds of every member of the Big Chiefs as four of the best years of their lives.

Leading the class scholastically were Dan Neidlinger, Janet Pearson, George Miller, and Carolyn Burtzner.

Athletic honors for the Big Chiefs were achieved by Jim Blevins, Eddie Hildebrandt, Fred Quance, Larry Spade, David Baker, Bernard Drerup, William Feagler, Richard Leas, John Souder, Bruce Williams, Jerry Mussak, Herb Schwartz, Richard E. Smith, Bryce Treadwell, Grant Van Horne, and Argyl Bassett.

Those who were chosen to govern the seniors were John Hursh, president; Al Gengnagel, vice-president; Bernard Drerup, secretary, and Carolyn Burtzner, treasurer. The job of class sponsor was capably undertaken by Mr. Thomas Furber. The class mothers were Mrs. Fred Jordan and Mrs. Harold Gengnagel.

The Big Chiefs were proud to have a cheer leader among their ranks, she being Janet Pearson. Janet was not only a cheer leader her senior year but she was also cheer leader during her junior year.

The Warriors are now beginning to feel like "old-timers" around A.H.S. The "sophs" were indeed an ambitious crew. They got their class "machine" in full motion this year with almost all of the members of the class backing different organizations and entering wholeheartedly into all the school activities and projects.

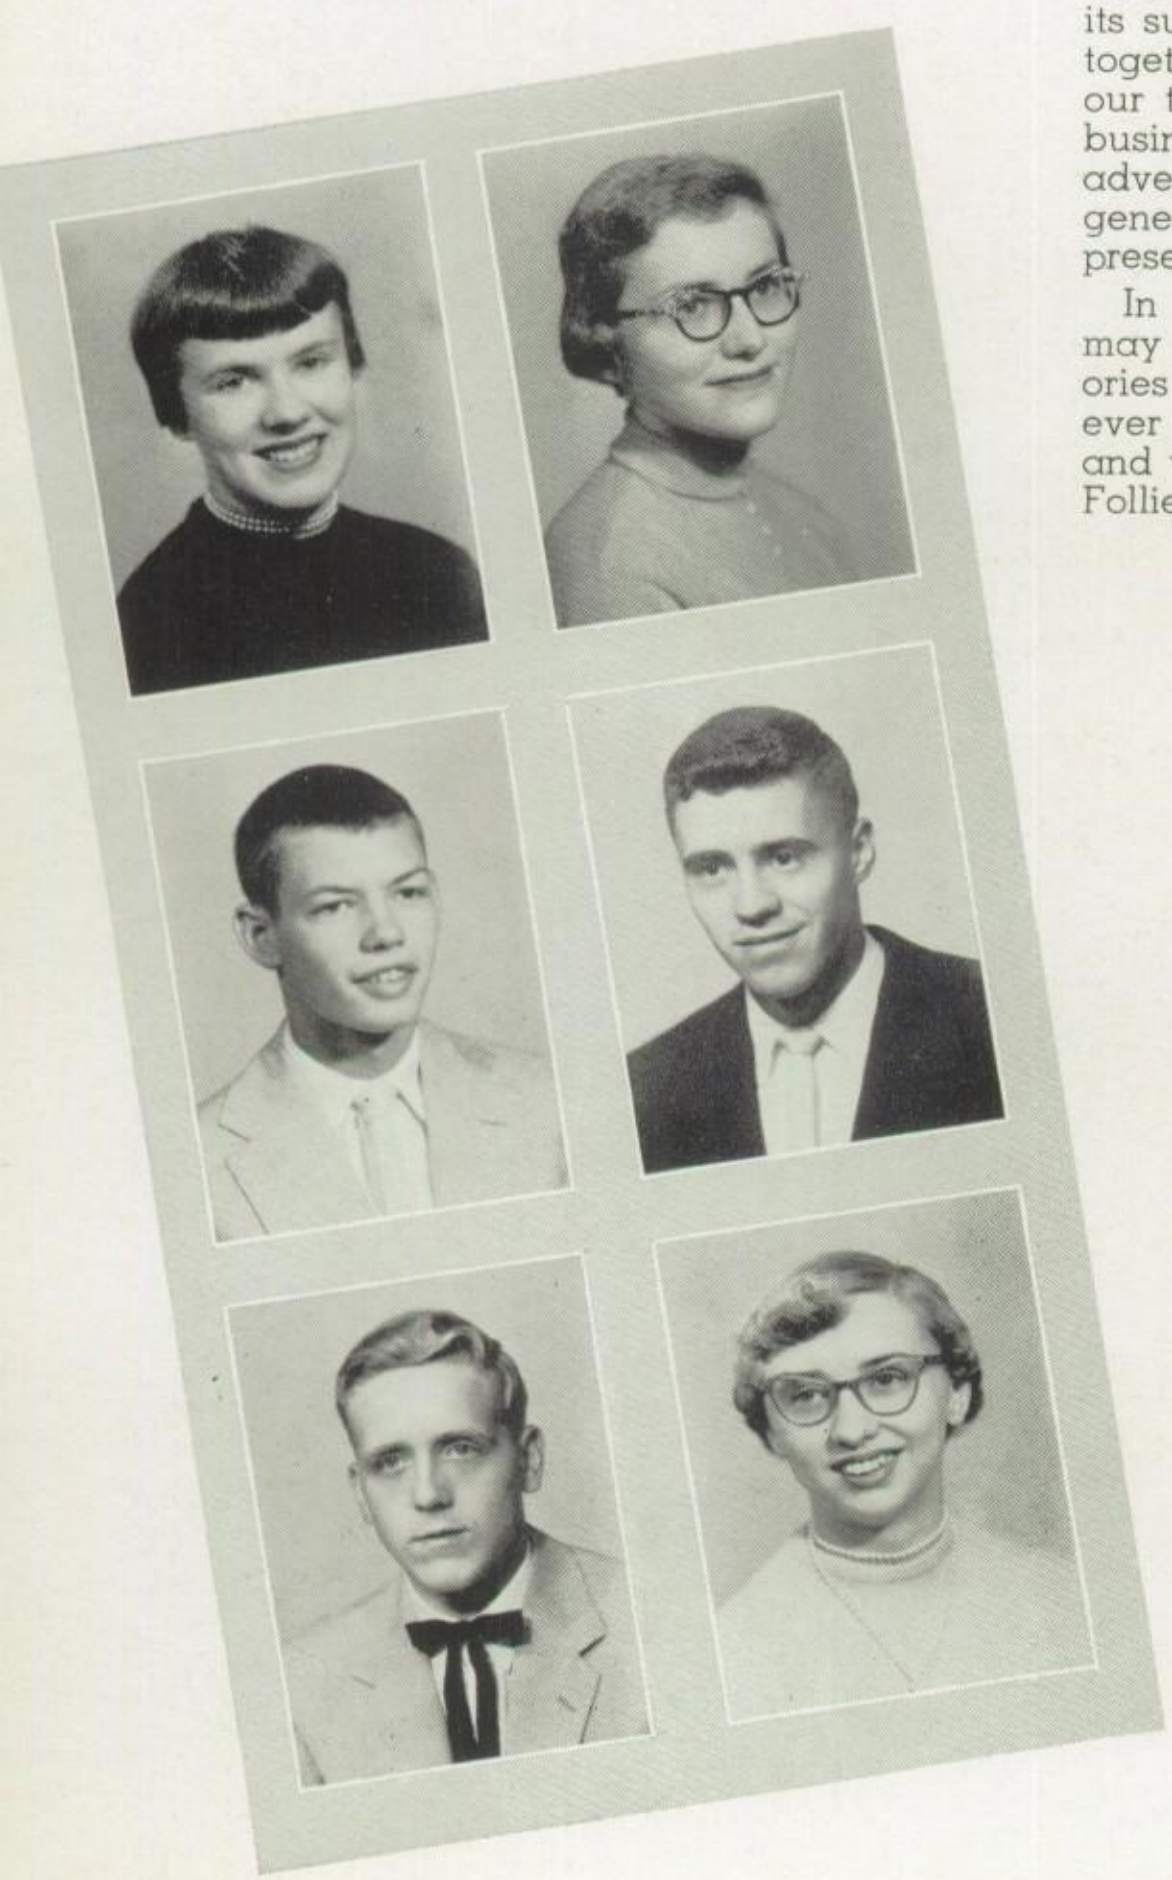
ACTIVITIES

Editorial

After twelve years of schooling and learning, the Class of 1955 has at last reached that long awaited goal — Graduation. As a memento to all our friends, we have prepared the Follies of 1955. It represents hard work and effort on the part of the staff and others who have helped in any way.

Preparations were started in May, 1954, when the dummy was laid out to provide a bare outline for the staff. In September, the entire crew buckled down to tackle their individual jobs. Flash bulbs went off at all hours; typewriters were frequently heard at the high school as the columnists got out their copy; shoes wore out as the advertisers made their daily rounds; classes were visited by annual salesmen; Mr. Love got a few gray hairs after correcting copy over and over again; and at last the "bottle" and scissors were put away after another A.H.S. annual had been completed for our classmates and friends.



In May, the Follies of 1955 was presented to the public for inspection, laughs, and memories.

None of this could have been possible without the aid of many. First of all, we wish to thank Mr. Miller, our principal, who spent many long hours with us in assembling all parts of the annual. The staff is also indebted to Mr. Love who gave his time and efforts in helping to improve the diction and grammar of the Follies. A beautiful cover carrying out the theme was prepared by the S. K. Smith Company through the help of Mr. Jack Bundy. And what is an annual without pictures? This task was superbly accomplished by Davis Studio. Mr. Thomas Broom from the Fort Wayne Engraving Company showed us the art of assembling the pictures. Our boards were collected regularly by Mr. Joseph Todd who deserves much credit for his ability in getting the plates to us swiftly. Our journalistic efforts were brought out successfully by the Auburn Printing Company. The Heckman Bindery deserves much credit for its successful job of securely binding the Follies together. And last but not least, we wish to extend our thanks and gratitude to the merchants and businessmen of our community who have taken advertising space in our annual. Without their generosity, this annual could not have been presented.

In conclusion, dear readers and classmates, may you find enjoyment and many happy memories as you turn back the pages of time whenever you open this annual. It is with this hope and wish that we, the Class of 1955, present the Follies to you.

Hi-Y

The Hi-Y Club is composed of thirty-eight sophomore, junior, and senior boys. Mr. James Cool, faculty adviser, and Mr. Gene Holdeman, "Y" sponsor, have guided the club through another successful and enjoyable year.

The club holds its meetings the first and third Wednesday of each month.

The officers elected to lead the club were Albert Gengnagel, president; Herbert Hildebrandt, vice-president; Dan Neidlinger, secretary; Wayne Hurni, treasurer; and David Baker, chaplain and sergeant-at-arms.

On September 30 a group of the members attended a joint district conference with Tri-Hi-Y and Teen-Y at Howe, Indiana. The group came home with many helpful ideas to improve their club.

November 17 was the night the Hi-Y held its initiation dance. They had their traditional Kangaroo Court. This affair was shared with the other two clubs.

Several times during the year the members were entertained by movies and various speakers.

Interesting programs of the club this year included educational talks by a doctor, a teacher, a state trooper, an F.B.I. agent, and a man from WIN-T. Hi-Y also enjoyed several joint meetings with Tri-Hi-Y and Teen-Y.

The Hi-Y raised funds by sponsoring a Sandwich Day at the high school on March 24.

Through these activities, formulated by efficient committees, Hi-Y has maintained its motto: "To create, maintain, and to extend throughout the home, school, and community, high standards of Christian character."

Tri-Hi-Y

The purpose of the Tri-Hi-Y Club is to promote clean speech, clean sportsmanship, clean scholarship, and clean living.

The Tri-Hi-Y Club is made up of forty-five junior and senior girls. The club's sponsors are Miss Wood, the high school adviser, and Mrs. Gene Holdeman, the adviser from the local Y.M.C.A.

The Tri-Hi-Y meetings usually consist of guest speakers after a short business meeting. The speakers this year were Mrs. Roger Wertenberger, who spoke and showed slides on Europe, and Mrs. Mendenhall, who gave beauty tips and established those ever-remembered "Coke Parties." Also, a teacher came and outlined her field of work.

On September 30 a group of the officers of Tri-Hi-Y attended a joint district conference with Hi-Y and Teen-Y at Howe, Indiana. Along with its regular meetings, Tri-Hi-Y has shared joint meetings with Hi-Y and Teen-Y. One of these joint activities was Christmas caroling around the city. Again this year the Tri-Hi-Y helped the Hi-Y with their annual project of Sandwich Day, which was a big success. The last meeting of the year was a grand potluck supper.

The very efficient officers elected for this year were Joyce Jordan, president; Mary Lou Romeiser, vice president; Carolyn Burtzner, secretary; Polly DeCoursey, treasurer; Anita Kleeman, chaplain; and Gwen Griffith, sergeant-at-arms.

The club has done much to live up to its motto: "To create, maintain, and extend throughout the home, school, and community, high standards of Christian character."

The Future Homemakers of America

The F.H.A. is a club composed of thirty-six members. It is open to anyone wishing to join. "Toward New Horizons" is the club motto which expresses the purpose of the organization. The club colors are red and white, and the flower is the red rose.

Since 1946, the F.H.A. has been an affiliated member of the National Organization of the Future Homemakers of America.

Once a month the club holds a business meeting with discussions, songs, and recreation. A willing and tireless member of the club is Miss Shadinger, the club sponsor. The president is Jane Gee; vice president, Sally Short; secretary, Marjorie Muzzillo; treasurer, Sharon Mitchell; reporter, Virginia Mauk; parliamentarian, Betty McCann; historian, Janet Wilmot; song leader, Janet Thomas; and pianist, Barbara Lockhart. F.H.A. also thanks the club mothers for their help, Mrs. Wyne, Mrs. Short, and Mrs. Mauk.

The club raises funds by selling candy and ice cream and by receiving small donation dues from each member of the club.

In May the girls held a formal banquet at which they installed their new officers for the coming year. Each year the F.H.A. Club sends representatives to a fall and spring district meeting and to a summer state meeting. The girls who have attended report that it is well worth the time and money.

The Future Farmers of America

The Future Farmers of America is a national organization which is open to students of vocational agriculture. There were twenty-five members in the Auburn chapter this year. The chapter sent representatives to both district and state meetings this year and took part in many state activities.

Gordon Sellers won third place in a District III essay contest. The essay was entitled "The Facts about Price Supports."

The chapter strives to promote better leadership, better agriculture, and better cooperation in the school and community.

Meetings were held twice a month. The club enjoyed movies and speakers which were obtained by Larry Heffley who was chairman of the entertainment committee. The club also enjoyed recreation after the meetings and sponsored a basketball team. The last meeting of the year was a father and son banquet that was sponsored by the losers in the pest contest.

This year the club promoted a hog project, a pest contest, and the selling of Jello and garden seeds. It also promoted a project in cooperation with the county agriculture groups. The advisory board sponsored F.F.A. on an all day field trip.

The officers for this year were: Gordon Sellers, president; Jerry Heffley, vice president; Paul Smith, treasurer; Larry Heffley, secretary; John Sherwood, reporter; George Anderson, sentinel; and Mr. Deck, adviser.

Those who received the green hand degree were: Franklin Boger, James Schultis, Richard Smith, Ronnie Wilcoxson and Jeri Walter.

Those who received their chapter farmer degree were: Jack Thomas, Don Stafford, Paul Smith, John Sherwood, Ed McDonald, Carl Hildebrandt, John Gorden, Carl Dewitt, Larry Carper, and Thomas Schultis.

The Auburn High School Band

The band has taken great strides of progress under its new director, Glenwood Kuechler. Mr. Kuechler is a graduate of Ball State Teachers' College. With an eye to the future, he has taught the band members many basic fundamentals of music and hopes to have a top-notch band in a few years.

The band entered the marching contest at the fair but did not place for an award. It also entered the annual marching contest at Fort Wayne but, after an inspection in the rain, the contest was cancelled. The band cooperated with the speech and chorus departments in presenting the annual Christmas program. As well as playing for all the home basketball and football games, the band played for the annual spring festival and for commencement. The band also entered the concert band contest on April 2.

The band boosters gave their annual hayride for the members.

Of the eight band members who entered the solo and ensemble contest at Fort Wayne, four received superior ratings and the other four got excellent. Two went to the state contest. Julia Ferguson received a superior on her saxophone, and Anna Mae Walter received an excellent on her clarinet.

Bryce Treadwell was elected as president, and Judy Capen assisted him as vice president. Treasurer was Judy Steininger, and Julia Ferguson served as secretary. The band's librarian was Anna Mae Walter. Anita Kleeman was the band sponsor. The only band member who has been with the band throughout his high school career and is graduating this year is Bryce Treadwell.

Chorus

The high school chorus under the faithful leadership of Mrs. Mary Jo Wort made its first school appearance at the Christmas program along with the speech and band departments.

The chorus this year experimented with a cappella work. It worked out well because they received an excellent rating at the solo and ensemble contest.

Carol Vise sang a solo at the contest and received an excellent rating.

The chorus sang at the spring festival, at baccalaureate, and at commencement.

Among the favorite songs of the chorus were, "Carol of the Bells," "Were You There," "I Believe," and "You'll Never Walk Alone."

The chorus was headed by an efficient set of officers. Marilyn Foster was elected president. Marjorie Muzzillo was secretary-treasurer, and librarian was Betty McCann. Carolyn Woodcock was the reporter for the chorus.

The chorus had several bake sales to raise money. They also had a skating party.

The chorus should go places next year as it will not be depleted by the graduating seniors.

G. A. A.

The Girl's Athletic Association is an after-school organization whose meetings are held every Tuesday, Wednesday, and Thursday. It means just as much to the girls as the other school sports do to the boys. The club offers every girl a chance to learn sportsmanship and cooperation and a chance to develop her skills in the various games.

Some of the sports which are played by the girls are soccer, volleyball, basketball, swimming, bowling, shuffleboard, badminton, volleyring, softball, and archery. The outdoor games are played in the fall and spring, and the indoor games are played during the winter.

To join G.A.A., a girl must have 50 points a year. Six practices in any sport count as 10 points. Also, there are skill tests that the girls may take to gain extra points. Numerals are awarded to those girls who have received 150 points and letters to girls receiving 250 points. A state plaque is awarded to any girl who has received 350 points.

Each year a volleyball tournament is held at Auburn. The following teams were present this year: Garrett, Kendallville, and New Haven. The Auburn girls were champs again this year as they won every game except one to New Haven.

The social event to which the girls look forward every year is the banquet held in the spring at the Auburn Hotel. At this banquet the outstanding athletes of the year are honored. They receive these awards: the Outstanding Freshman Plaque, which is awarded to the freshman showing the best sportsmanship, skill, and interest in G.A.A.; the Outstanding Athletic Plaque, which is awarded to anyone in any class who has qualified by showing the best interest, sportsmanship, and skill throughout the time she has been in G.A.A.; and the Sportsmanship Plaque which is also unlimited as to class, and which is awarded to the girl showing the best sportsmanship throughout the year. In addition, the officers for the next year are announced.

The officers for 1954-1955 were Dian Hoodelmier, president; LaVera Walters, vice-president; Janet Wilmot, secretary; and Carolyn Bassett, treasurer. The sponsor for the G.A.A. Club is Miss Barbara Bosse.

The Lettermen's Club

The Lettermen's Club consists of those boys who have won letters in the previous year's track season, the football and basketball lettermen of the current year, the cheerleaders, and managers. Letters are awarded on the basis of points scored in track, and the number of games played in football and basketball. Special awards of silver footballs, silver belt buckles, track shoes, and basketball letter blankets are given to the seniors.

The "54" track squad who received their letters and chevrons are as follows: David Baker, Nick Beers, Ken Carpenter, Ed Hildebrandt, Richard Leas, Jim Lewis, Norman Ochstein, Joe Sanders, Gary Scott, Kenneth Staggs, and Grant Van Horne. Silver track shoes were awarded to David DeCoursey, Ronald Gearhart, Harry Hoham, Kenneth Myers, Bradford Webb, Harold Winebrenner, and manager Pete Muzzillo.

The 1954 football letters and chevrons went to the following underclassmen: Michael Baxter, Nick Beers, Ken Carpenter, Harold George, Jerry Heffley, Wayne Hurni, Jere Kessler, Bill Killgallon, Danny Kinsey, Norman Ochstein, Lionel Predmore, Layden Rieke, Joe Sanders, Ernest Schumann, and Gary Scott. Bill Lock earned a manager's letter for his handling of the team equipment.

In addition to a letter and chevron, David Baker, Bernard Drerup, Bill Feagler, Ed Hildebrandt, Richard Leas, Fred Quance, John Souder, Larry Spade, and Bruce Williams earned their silver footballs or belt buckles.

Basketball awards for 1954-55 were won by the following underclassmen: Nick Beers, Jerry Heffley, Bill Killgallon, Kenneth Staggs, and Layden Rieke. Jim Blevins, John Gordon, Ed Hildebrandt, Fred Quance, and Larry Spade received blankets as their senior awards. John West acquired a letter for his fine job as team manager.

The 1954-55 yell leaders, Sandra Burgoyne, Janet Pearson, and Sandra West, each won a large "A" for their wonderful job of cheer leading.

Teen-Y

The Teen-Y, a national Y.M.C.A. organization, was organized in Auburn by its present sponsor, Mrs. Gene Holdeman. Mrs. Robert Lumm was chosen as its other sponsor.

The club meets at the local "Y" on the first and third Monday of every month.

Teen-Y, composed of freshman and sophomore girls, elected Sharon Cochard, president; Julia Butz, vice-president; Judy Hamilton, secretary; Melinda Lumm, treasurer; Judy Blue, chaplain; and Kathie Korb, sergeant-at-arms.

On September 30, Teen-Y sent some of its members to Howe, Indiana, for the Annual District Conference. Hi-Y and Tri-Hi-Y also attended.

On November 5, the Teen-Y sponsored a Sadie Hawkins Dance which was open to the entire high school.

The club has been entertained throughout the year by various speakers: Mrs. Mendenhall, Mrs. Overmeyer, and Mrs. Quance. Teen-Y also furnished some of its own entertainment with a "Stunt Night."

The Teen-Y joined the Hi-Y and Tri-Hi-Y on various occasions. These joint meetings are a sign of the spirit of cooperation taught in these "Y" clubs.

Teen-Y's project this year was a successful bake sale.

During the past summer a few of the girls attended Delphi Training Camp, and they came back with many helpful ideas.

The Devils' Journal

The Devils' Journal's seventh year has proved to be a most successful year for the editor and his staff. This year's staff added many original ideas to the plan set forth by last year's newspaper staff. They also exchanged publications with neighboring schools.

The paper was published and distributed every two weeks. It usually contained eight pages and cost the reader five cents.

Much credit for the Devils' Journal's success goes to its very efficient major staff: editor, Dan Neidlinger; associate editor, Julia Ferguson; business manager, Sue Quaintance; exchange secretary, Clodine Webb; artists, Dian Hoodelmier and Jane Klock; printers, Carol Freeman, Tom Tucker, Phil Trout, and Phil Beck; typists, Carolyn Burtzner, Isobel Richardson, Nancy Cox, Billie Jo Boyce, and Polly DeCoursey.

Miss Dawson is the sponsor of the paper. She too has been a great help to make this paper a success.

The minor staff consists of: reporters, Joyce Jordan, Sandra Burgoyne, Sharon Veale, Toni Powell, Judy Steininger, Dorothy Dilley, Judy Capen, Linda Phillips, Kathy Korb, Nancy Engelbert, and Sherry Conner; organizations, Anna Mae Walter, Virginia Mauk, John Sherwood, Nick Beers, Melinda Lumm, Carol Rountree, and Barbara Wilson; columns, Kay Woodcox, Ellen Rowley, Isobel Richardson, Anita Kleeman, Grant Van Horne, Ginger Oren, Julia Shook, Mary Jane Haines, Donna Bartels, Linda Patrick, Joyce Krueger, Toni West, and Mary Lou Romeiser; sports, Richard Smith and Herby Schwartz; salesgirls, Nancy Cox and Ellen Hamman.

Many pupils were thrilled and proud to have their essays, poems, short stories, and opinions published for friendly criticism or approval. The newspaper proved to be a remarkably accurate cross section of the abilities and feelings of the Auburn High School student body. This is just another project in which the students have shown themselves capable of handling large jobs. Therefore, congratulations for a fine job well done.

"Clementine"

On November 11 and 12 the junior and senior class production, "Clementine," was presented under the direction of Mrs. Morgan with the help of the student director, Polly DeCoursey. A large audience of 513 attended the two night performances. Both the cast and the crews did a splendid job. The crews were—makeup; Joyce Krueger, chairman; Grant Van Horne, Sharon Veale, and Linda Patrick; costumes: Janet Wilmot, chairman; Jane Klock, and Joe Sanders; properties: Dorothy Dilley, chairman; Jim Blevins, Rick Leas, and Isobel Richardson; set: Fred Quance, chairman; Layden Rieke, Bill Killgallon, and Ernest Schumann; hand props: Judy Capen, chairman; Phillis Croy, Toni Powell, and Mary Jane Haines; lights and sound: Ed Hildebrandt and Jerry Mussak; and stage manager, Steve Sprott. Musical entertainment between acts was by vocalists under the direction of Mrs. Wort.

The play was about the trials and tribulations of a mayor who was running for re-election and was troubled with a football-playing tomboy daughter. Tomboy Clementine refused to become a dignified young lady of the sophomore class, much to the dismay of all her school friends both male and female. But in the end everything turned out all right as Clementine squared things with Miss Pringle, who suffered from a guilty conscience and many broken windows. Miss Pringle decided to back Mr. Kelley in the coming election and Clementine decided to become a lady and snatch Hank from Cathy.

The Librarians

If it is references you want, our school library has them. The library, under the supervision of Miss Carol Dawson and the eleven helpful student librarians, has come to the aid of many bewildered students who have difficult assignments.

Again this year a course in the use of the school library and the Eckhart Public Library was given to the freshmen in their guidance course, with Miss Carol Dawson serving as instructor. How to find the book they needed and where to find it on the shelves were the two main points of emphasis.

The librarians this year were: first period, Phil Beck and Judy Steininger; second period, Carolyn Bassett and Rose Openlander; third period, Barbara Lockhart and Sharon Burns; fourth period, Anita Kleeman and Shirley Grogg; fifth period, Julia Butz; and sixth period, Sharon Marker and Mary Manon.

Besides the assembly librarians, there are also organizational librarians. Wesley Warstler and Ronald Wilcoxson serve for the Future Farmers of America. They keep the library in the biology room in order. Curtis West is librarian for the Future Teachers of America. He keeps pamphlets for the club members and also furnishes them with appropriate book lists. Marlene Welly keeps the music files in order for the chorus, while Anna Mae Walter keeps the music in order for the band. These are the librarians who get little acknowledgment but who deserve a lot of credit.

This year's capable librarians held many responsibilities. Besides helping students find necessary material, they have kept some three hundred books and the current magazines checked in and out. All the work necessary to keep the magazine rack and bookshelves in order cannot be overlooked. The work of the librarians is almost an endless job. For their work and efforts, the librarians deserve the sincere gratitude of their fellow students.

The Booster Club

The Booster Club is now three years old and has a membership of thirty-six. The credit for the formation of this club goes to Mr. Miller, our principal. The profits of the club provide assembly programs for the students throughout the school year. Miss Shadinger is the sponsor, and she keeps the business running very smoothly. The student manager is Sharon Veale.

At all the basketball games you will find a pair of members in every part of the gym, selling potato chips, popcorn, candy, and ice cream between games and at the halves of each game. The sellers can be seen throughout the games hurrying and scurrying, catching money, making change, and holding baskets in some way.

Each member, who is a student who voluntarily gives up his time to provide assembly programs for the A.H.S. students, is required to work four regular season games and at least one tourney game to earn a letter.

The Booster Club's headaches are many: lost coins, miss-tossed ice cream bars, large crowds, impatient customers, and lack of selling time.

The basketball fans wish to thank the friendly and hardworking members of this organization for their warm, ever-present smiles, and their very fine service.

The members have made an improvement this year by moving the freezer from the high school to the gym. This change has saved many steps for the members.

The Booster Club is a worthy asset to our school, and the larger the membership, the more assembly programs there will be. We should all be very grateful to the Booster Club for its hard work which provided so many hours of enjoyment for the student body through assembly programs.

The Auburn High

The Auburn Athletic Association included nearly all the pupils in Auburn High School. Its members are the pupils who play on the football, basketball, or track teams; yell leaders, the managers of all the sports, the band members who played at home games, and all students who hold season tickets.

The A.A.A. was organized to promote the high winning spirit and to increase the enthusiasm of the students who play or attend the different sports. It also promotes clean sportsmanship and emphasizes fair play. The organization has pep sessions in the big gym to present new yells and practice the old ones and get up the enthusiasm which is necessary to keep up the famous Auburn spirit. These pep sessions are held just before

The officers of the A.A.A. are Ed Hildebrandt, president; Fred Quance, secretary; Miss Wood, faculty treasurer; and Mr. Miller, the official director.

The yells were led by Janet Pearson, Sandra Burgoyne, and Sandra West, who did a great job to encourage the student body to get up the winning spirit.

The student managers were Bill Lock, who was chosen by "Zeke" as football manager; John West, who was chosen basketball manager by "Randy"; and Pete Muzzillo, who was chosen track manager.

Undefeated Season

Coach "Zeke" Young again came through with an undefeated season. It was the fourth time in his thirty-two years of coaching. From the very first hot day in August when practice began, the fact that it would take a very good team to beat the Red Devils was evident. The success can be credited to the excellent team spirit and willingness to work. Since the squad was a very light team, it took that extra spark to develop them into a winning team.

Returning to the gridiron sport were fourteen lettermen, composed of Baker, Baxter, Beers, Drerup, Heffley, Hildebrandt, Hurni, Kessler, Leas, Ochstein, Rieke, Scott, Spade, and Williams. As a whole, the team was light; it took some able coaching to build an unbeaten team. Seventeen other promising lads proved to be a big asset to the team. As manager for the season, Bill Lock took over the hard work. Assistant coaches Randy Lawson and Jack Johnson worked hard to help develop the varsity and B teams.

On September 10 the team got off to a flying start by trouncing the Decatur Yellow Jackets 41 to 0. All the touchdowns came on hard-driving ground plays. Decatur never threatened, as the closest they got to the Auburn goal was the 40 yard line. Numerous times the Red Devils' hard-charging line opened holes for the fleet backs and also threw the Decatur backs for losses. "Zeke" used nearly three complete teams to give the reserves some competition.

In their second contest the Red Devils romped to a 12 to 0 victory over the Colonels of South Bend Washington Clay. The home team had to resort to end around plays as well as pass plays to penetrate the visiting team. It was a pass that scored the second touchdown. The Colonels threatened but never quite made it. Some Auburn regulars had to sit out of the game because of injuries.

Next the Red Devils journeyed to Bluffton to defeat the Tigers 24 to 13. The Satans ran up a score of 18 to 0 by the end of the first half, but Bluffton came fighting back in the second half, and the score was soon 18 to 13. The game was soon brought under control when Beers ran a kickoff back for 70 yards and a touchdown. During this same encounter Jere Kessler was injured. He was lost the rest of the season with a dislocated hip and cracked vertebra.

The Concordia Cadets were no match for the Red Devils as the final score was 32 to 6. Auburn scored in every quarter while the Cadets' only score came at the close of the game. Some very good running plays by Auburn were demonstrated throughout the game. Jerry Heffley did some

speedy running that was outstanding. Finally the reserves streamed in to finish the game.

Powerful Nappanee, after winning five straight games, lost to the more powerful Red Devils 13 to 6. Auburn's hard-tackling linemen spelled defeat to the visiting team. Also, the Red Devils' aerial game was working smoothly. It can be said that it was one of the Red Devils' best games up to that stage of the schedule. The Bulldogs' only touchdown came early in the last period soon after intercepting an Auburn pass.

Auburn's biggest scare of the season came from the new Kendallville team. The score at the end of the first half was 7 to 7 as the Red Devils failed to show their usual ability. Auburn's only good feature in the game was Feagler's three perfect place kicks. In the second half the Satans rolled some to make the final score 21 to 7. The entire reserve team finished the game.

The Red Devils' most impressive game of the season came against the Warsaw Tigers. It was strictly a fighting team victory in all respects. The game was marked by a forty minute "rhubarb" in the first period between "Zeke" and the officials. The last half was a rout, as the final score was 39 to 14. Gary Scott quarterbacked the team very well during that game. Warsaw got ahead 7 to 6 in the first period but this lead only encouraged the Red Devils to go all out and win brilliantly.

In the feature game of the season, old rival Garrett was defeated by a score of 13 to 7. Most of the game was played in snow and drizzling rain which made progress quite an accomplishment. Quance threatened to crash the game wide open by a 59 yard touchdown in the second quarter. Ed Hildebrandt, as usual, churned out many well-earned yards. Also, Auburn's line was outstanding as it was outweighed about twenty pounds to the man.

Due to an eye operation Zeke has been forced to give up coaching. His final season was a fitting climax to a long and successful coaching career.

Awards

Senior awards went to Baker, Drerup, Feagler, Hildebrandt, Leas, Quance, Souder, Spade, and Williams. Underclassmen who received their awards were Baxter, Beers, Carpenter, George, Heffley, Hurni, Kessler, Killgallon, Kinsey, Ochstein, Predmore, Rieke, Sanders, Schumann, and Scott. Bill Lock received a letter for being an efficient manager.

Basketball 1954-1955

Coach Randy Lawson started basketball tryouts one week before the end of the football season. Jack Johnson, Randy's able assistant, coached the underclassmen again. John West was the student manager for the season, and he is to be congratulated for his fine and efficient work. Jerry Hess acted as the statistician for the coaches and team.

The Red Devils' 1954-1955 schedule was, without a doubt, the toughest in Auburn's basketball history. The season record of 14 won and 12 lost was the lowest it had been in several years, but the team needed to make no apology as they played very fine ball throughout the season. With keen competition for starting positions, the boys showed spirit that caused them to work hard. The outcome proved to be an enjoyable and interesting season for the fans.

The Red Devils started the season off by losing a hard-fought game to the Marion Giants. The final score of 61 to 49 makes it seem worse than it really was. Auburn was in the game right up to the last two minutes before the Giants pulled away.

Auburn won its second game of the season in a test which was very close right up to the finish. The Concordia Cadets proved to be a very tough team to beat as they were in the game all the way. Foul shots in the last three minutes gave the Red Devils the edge, and they won 51 to 49.

The Red Devils had the Peru Tigers under control most of the time although the Tigers staged a rally in the last half and pulled within two points of the Red Devils. The final score of the game was 50 to 45. One of the Peru players suffered a broken arm early in the first period of the game.

Auburn's old rivals, the Garrett Railroaders, tried to end the Satans' consecutive victory string by pulling a "deep freeze," but it didn't work as the final score was 44 to 39. The deliberate style ended in the second period when the Devils started pulling away and forced Garrett to start running.

One of the most thrilling games of the season was played in Alumni Gym against the Redskins of North Side. The Fort Wayne team really started to roll and was ahead 20 to 8 at one time, but that was before the Auburn squad staged a brilliant rally and pulled within two points with the score at the end of the game 57 to 55.

The Red Devils next ran into a hot South Side Archer team and went down in defeat 61 to 46. The Archers were on top all the way even though Auburn's reserves were put in to see what they could do.

The Red Devils lost their third straight game to the LaPorte Slicers but only by a score of 70 to 69. The Satans trailed by 24 points at one time but played a terrific last half to pull so close.

On New Year's Day the Satan five were at Bluffton to try their luck. They lost the first game to Alexandria in a thrilling double overtime 55 to 53. The Red Devils went on to win the consolation game from Bluffton with the aid of Beers' 27 points by a score of 67 to 63. Kendallville won the championship game.

The Red Devils ran into a hornet's nest at Kendallville but grounded the Comets 50 to 40. It was a typical Kendallville-Auburn tilt from the beginning to the end.

The Elkhart Blue Blazers came up with their best game of the season to set back Auburn to the tune of 78 to 57. The Red Devils started out well in the first period and got ahead but just couldn't hold their own.

The Red Devils staged a big rally in the third period to defeat the Angola Hornets. It was Bill Killgallon who started the rout that put Auburn in the lead and which led to victory by a 65 to 54 score.

The Decatur Yellow Jackets threw a scare into the Auburn five by staging a desperate fourth quarter rally, but the game ended 62 to 61 with the Satans out in front. Both teams relaxed and threw caution to the winds throughout most of the game.

The South Bend Riley Wildcats got revenge on the Red Devils when they handed Auburn a 72 to 65 defeat. Ken Staggs put spark into the home team, but the heart was taken out of the Devils when he was forced to leave the game.

The Red Devils nearly staged an upset but lost a 50 to 46 decision to the third-rated Central Tigers team. It was a rough encounter all the way and was marred by contsant trips to the foul line. Several times Auburn had the lead. The Devils led by four points at the half.

The Auburn Red Devils lost to an aggressive Hartford City Airedale team by a score of 55 to 50. The entire squad played but could not get any kind of lead.

Illness may have been one of the reasons for the Red Devils' poor showing against South Bend Adams. It was not till the late stages of the game that Auburn let down and lost 77 to 57.

The Red Devils beat the Bluffton Tigers but only after an overtime, 50 to 49. The Tigers carried an eight game winning streak into the game with their previous defeat at the hands of the Red Devils.

The Warsaw Tigers set a blistering pace from start to finish, and the Auburn quintet dropped a close 54 to 49 decision to them. Auburn almost caught up in the last quarter but blew several chances to tie up the game.

The Red Devils ran up their best score of the season while defeating the Huntington Vikings in their last scheduled game of the season. The Auburn five got off to a commanding lead in the first quarter and were never headed. The final score was 75 to 59.

Auburn won their seventh straight sectional crown. They started out by trouncing Pleasant Lake 67 to 50 and then by defeating a surprisingly strong Salem Center squad 76 to 61. On Saturday they defeated the Butler Windmills 56 to 52 and advanced to the final game. They won the title by getting past the Angola Hornets with a score of 65 to 57.

The regional crown again slipped through the Red Devils' grasp. After trouncing the Monmouth Eagles 82 to 67, Auburn lost to the North Side Redskins by 66 to 56 in a well-played game. Jerry Heffley played outstanding ball in both games. In fact, the whole team rose up and played outstanding ball during the tourney.

First row: J. Shellenbarger, J. Sherwood, L. Morr, G. Bowser, D. Jordan, J. Blevins, F. Mock.
Second row: E. Perkins, D. Allison, R. George, D. Magnuson, Mr. Johnson, R. Morr, W. Rediger, J. Cutter.

Auburn Imps

The Imps is the name which was given to the Auburn basketball "B" team. The Imps play an eighteen game schedule which is almost as tough as the schedule that the Red Devils play. The games this year provided a great deal of enjoyment for the student body and showed some very close games. The season record was ten won and eight lost.

The team was coached by Jack Johnson, Randy's assistant coach. Under his direction the team played many very good games.

The members of the Imps were Gary Bowser, Larry Morr, Jake Blevins, John Sherwood, Bill Rediger, Joe Shellenbarger, John Cutter, Fred Mock, Dave Jordan, Dick Morr, Dave Magnuson, Dick George, Don Allison, and Ed Perkins.

The games the Imps played were scored as followed:

Auburn	28	Marion	44
Auburn	37	Fort Wayne Concordia	18
Auburn	33	Peru	34
Auburn	47	Garrett	39
Auburn	35	Fort Wayne North Side	41

Noon League

Noon League was under the leadership of "Zeke" Young and Jack Johnson who had the help of the first team members as referees.

The captains, who are usually seniors or juniors who are approved by the adviser, this year were: Joe Sanders, Bernard Drerup, Steve Sprott, Al Gengnagel, Grant Van Horne, David Baker, Norman Ochstein, and Dan Kinsey. After a very tightly contested battle right down to the make-up games, Grant Van Horne's team won the Noon League title this year. The members of Grant Van Horne's team were Jack Foster, Brian Baker, Gordon Sellers, Fred Walter, David Rolf, and Glenn Richter.

The results of the games played this year were:

	Won	Lost
Van Horne	10	4
Sprott	9	5
Kinsey	8	6
Drerup	7	7
Gengnagel	6	8
Ochstein	6	8
Sanders	6	8

Ambitious Track Team

Forty-seven athletes answered Coach Lawson's call for track on March 21. Due to bad weather, the track practices were held in Alumni Gym. The Red Devils succeeded in opening the season on Tuesday, April 19, by defeating the Angola Hornets 70⅓ to 38⅔. The Red Devils took first in all the running events except the mile race.

On Thursday, April 21, the Red Devils clashed with the Fremont Eagles and were defeated by a score of 61 to 48. The Red Devils took five first place awards and tied for first place in pole vault. The races were all closely contested to the finish.

The Goshen Relays were held on April 23, a bright Saturday afternoon. Auburn earned 11 points to obtain twelfth place among twenty-three entries in Class B.

The Red Devils defeated the Kendallville Comets Tuesday, April 26, at Earl Carr Memorial Field by a close margin of 57 to 52.

The Kokomo Relays were held in Kokomo Saturday, April 30. Auburn received 6 1/35 points in Class B.

On May 3 a triangular meet was held at St. Vincent's Villa Field in Fort Wayne. Central Catholic scored 52½ points to Auburn's 49⅔ and Concordia's 34 5/6. A close race at the end decided the winner.

In the last home game of the season on May 5, Auburn and Butler came to a 54½ to 54½ tie. This was the first tie in the history of Earl Carr Memorial Field.

The Garrett track meet was held on May 10 at Garrett. For the second

1954

straight year the Railroaders defeated the Red Devils. The score was 66 to 43.

The sectional track meet was held on Friday, May 13, at the North Side track where Auburn gained 12⅝ points. In taking fifth place, one Auburn school record was broken and another was tied. The mile relay team, consisting of Ronnie Gearhart, David DeCoursey, Harry Hoham, and David Baker, broke the school record set in 1944 with a new record of 3:43.1. Brad Webb tied the school high jump record of six feet even.

In the regional track meet held at Fort Wayne North Side on May 20, Brad Webb and Gary Scott were the only Red Devils eligible and they failed to place in the stiff competition.

The track lettermen were Dave Baker, Nick Beers, Ken Carpenter, Dave DeCoursey, Ronald Gearhart, Harry Hoham, Ed Hildebrandt, Richard Leas, James Lewis, Kenneth Myers, Norman Ochstein, Joe Sanders, Gary Scott, Kenneth Staggs, Grant Van Horne, Bradford Webb, Harold Winebrenner, and Pete Muzzillo, who served very ably as the track manager during the 1954 season.

Jack Johnson gave some of his time to helping Randy in getting the boys into shape and in assisting him in many ways.

Members of the faculty also helped in all home track meets in being the officials who kept the accurate records of the participants.

The future for the Auburn track teams is looking up as shown by the many young participants in the track of 1954.

TEACHERS HOLD ANNUAL SHINDIG

Auburn (dp), Snoptober 69, 1869, 0700 DST—The Annual high school teachers' party was held at the home of "Tootsie" Teter last night. There were nineteen teachers, eleven wives, two husbands and Mr. Love's mother present. The home was decorated to the theme of spring. There were Christmas trees on each side of the fireplace. Mistletoe was hanging from the doorways, and beautiful burnt cornstalks were used as table decorations. The burnt cornstalks were donated by "Weideman" Weathers. Lit jack-o-lanterns were hung from the chandiliers, also.

In charge of the entertainment was "Cool" Cool. The first thing on the program was a rare and unexpected dance performed by "Giggles" Wort and "Daring" Dawson. Their dance was called Mombo. It was a combination of the Hula and the Mombo. They were followed by a judu throwing contest between "Babsie" Bosse and "Lovable" Love. Babsie won the contest hands down by throwing "Lovable" 16 feet 8¼ inches and through "Tootsie's" bay window. (Flowers for "Lovable" may be sent to the Souders Hospital!) Next on the agenda was a solo, "Chewin' Tobacco Rag," sung by "Sudsy" Cecil Young. He was beautifully accompanied by "Smiley" Smuk on the band saw. Last on the entertainment was "Dandruff" Duquid, who gave a book review on Mickey Spillane's latest book, "The Corroded Casket." The entertainment was enjoyed by all.

Refreshments of spiked milk and stale bread were served by "Shapely" Shadinger and "Weepin'" Willie Deck. After the refreshments, games of crap for the women and bridge for the men were played. "Luscious Legs" Lawson was high in bridge, and he won a lovely book entitled, "How to Coach Basketball." During the easy game of crap, a fight between all started when "Mighty Mouse" Morgan and "The Wild One" Wood broke out. The fight all started when "Mighty Mouse" accused "The Wild One" of using loaded dice. An awakened neighbor called the cops because he was afraid the party would break out into a riot as the last one did. "Mighty Mouse" and "The Wild One" were hauled off to jail, along with Miller, commonly known as "The Mouth," and Physicist Furber. It seems as if "The Mouth" sassed the cops, and Furber let the air out of the paddy wagon's tires at the time of the arrest.

The party broke up in time for the teachers to get to their first period classes. The place was cleaned up by "Cutie" Kuechler and the trash was hauled away by the courtesy of Gumpp's Dump.

The story you have read was not true. It was made up by two seniors who are still making up time. Any similarity between the characters named and the Auburn High School faculty is not coincidental — It was intended!

ROMEISER TAKES RASSLIN' TITLE

Auburn—D.P. October 42, 1914—Mary Lou Romeiser won the Women's Rasslin' Title last night by whipping the former champ, LaVera Walters. The auditorium of the Schlink Hotel was filled to capacity to watch, as most sports-writers called it, "The Greatest Fight of the Century." Romeiser looked confident and determined to win the fight all the way. She took the final fall by using her famous step-over, knock-down, drag-out, twisting, bone-crunching toe hold. She had only this to say after the match, "Whew!"

FUTURE TEACHERS OF AMERICA TAKE FIELD TRIP

The Auburn Chapter of the Future Teachers of America Club took a field trip to Sugar School last Monday. The twenty-four members left Auburn High School at four o'clock in the morning to go on their three mile trip. The transportation, which consisted of three wagons, two scooters, three tricycles, four pairs of roller skates, one motorcycle, and a horse and buggy, was furnished by Miss Duguid, who also drove the horse and buggy. After going through Sugar School on a conducted tour in the morning, the group ate a box lunch of tomatoes and potatoes which were donated by Stormy Weathers. In the afternoon the group started on their long journey home. The members who went on this trip sincerely believe that this F.T.A. field trip was worth while and are thankful that they were given the opportunity to go.
